 5:46 PM 6. Palm City Road Traffic History and Alternatives

Tim Voelker, Assistant Public Works Director presented on the traffic history of Palm City Road.

Commissioner Matheson stated he is looking for a collective way to reduce the speeding on Palm City Road and asked why the speed bumps were removed. Tim Voelker explained that there was a meeting in which residents wanted the speed bumps removed. Mayor Glass Leighton suggested Commissioner Matheson speak with staff as the Commission has been through this several times in the past. Matheson stated he has spoken with staff and the motion is to explore solutions. Attorney Mortell briefly shared the history in which the speed bumps were removed, stating that the speed was not necessarily the issue, it was volume of traffic. Clarke mentioned that Captec had done a study and feels it is a behavioral issue. Matheson suggested Tim Voelker look back and see if there is anything else that can be done.

 5:57 PM Motion: Motion to have the city explore possibly blocking off that hot right in cost effective ways, and over the long term, it would be cheaper than having our Police force monitor that street every few months, I'd also like them to explore the possibility of putting those speed tables back, looking for a cost effective solution to have the residents happy.  
Action: Died for lack of a second, Moved by Commissioner Matheson, None seconded.

Commissioner Meier concerned that the pedestrian issue is not being addressed. Brief discussion on signage at crosswalks.

**Public Comment:**

- 1) Danny Gallegos – Manor Drive, in favor of speed bumps.
- 2) Sally Franklin – Palm City Rd., Feels the City missed the seasonal impact and the study should have been done at that time of year.

 **6:12 PM Motion:** Move that we ask staff to look into extending and connecting what sidewalk options we could have around Palm City Road.

**Action:** Approve, Moved by Commissioner Meier, Seconded by Commissioner Clarke. Motion passed unanimously.

#### **COMMISSION ACTION**

 **6:54 PM 14. BRIGHTLINE SURVEY RESULTS AND PROPOSED RESPONSE LETTER FOR STATION DEMOGRAPHICS**

**City Manager Dyess presented on the Brightline Train Station survey. In summary, 1,132 valid responses received, 378 responders live in Stuart City limits. Total survey results reported 61% in favor and 62% of just the City residents results were in favor of the train station.**

- 1) Nik Schroth – Stuart Mainstreet President; announced that they are in favor of the train station. Personally experienced Brightline and was pleased.**
- 2) Tom Resing – Palm City Resident; Strongly opposed to the project and surprised to see the increase in support. Concerned about the impact and is opposed to the train station.**
- 3) Helen McBride – SE Flamingo Ave.; In favor of the train station.**
- 4) Mark Breckbill – Opposes the train station. (No Comment Card)**

- 5) Rachel Snyder – Downtown Stuart business owner; in favor of the train station.

Attorney Mortell clarified this agenda item and what is being requested of the board. Does the board want to respond to Brightline's request and if so, do you want to authorize the City to dispatch the letter that is part of the agenda? The letter has been prepared by the Development Department and responds to all inquiries made by Brightline. May respond with a yes or no but if any enhancements to the letter are requested, request staff direction.

Commissioner Matheson expressed that we do not have the power to push them out west. We only have power to say yes or no to the station. Does not think they have been friendly to Stuart, but the negatives of Brightline will come whether or not there is a station in Stuart. Would rather we see benefits. If coming, should have benefit of station.

Vice Mayor Bruner commented that she has experienced Brightline and it is a light train compared to what we are used to, is in favor of the station. She has received great feedback.

Commissioner Meier reported that he was not present at the Brightline public meeting but has spoken to many residents and this is not an easy decision. Personal issues with Brightline but feels we need to negotiate. In favor of the train station.

Mayor Glass Leighton commented that her personal belief is opposed to the train, but in order to represent the city residents, the survey resulted in an overwhelming amount in favor of the station. We are here to do the rule of the people and that is what they will do.

Commissioner Clarke remarked on the various speakers on this subject during the Brightline meeting.

City Attorney Mortell suggested he communicate with Mr. Rusty Roberts and send the draft letter but send the survey results separately so that it can be sent out tomorrow. Vice Mayor Bruner agreed.

 7:10 PM Motion: Move that yes, we send it and add the survey and all the documents to that to be sent to Brightline. (Clerk note: Attorney sending letter and survey information will be sent separately per Attorney's comment above.); Action: Approve, Moved by Mayor Glass Leighton, Seconded by Commissioner Clarke. Motion passed unanimously.

#### DISCUSSION AND DELIBERATION

City Manager Dyess commented in response to the earlier public comment by Ms. Brinkley and gave kudos to the Police Department. This past weekend there was a sizable block party on East Avenue. Over a year ago, there was a similar block party hosted by the same people where two shootings occurred. The white male referred to in the comment was a known violent gang member from Fort Pierce and is a primary suspect in one of those shootings. As the Officer approached him this past Saturday, he was pulling out a weapon and the Officer used proper police tactics to take him into custody and arrest him.

 9:09 PM ADJOURNMENT

  
Mary R. Kindel, City Clerk

  
Kelli Glass Leighton, Mayor
