COMMISSION ACTION

9. EXTENDING ZONING IN PROGRESS:

RESOLUTION No. 04-2023; A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF STUART, FLORIDA, EXTENDING THE ZONING IN PROGRESS AUTHORIZED IN RESOLUTIONS 93-2022 and 95-2022, PROVIDING FOR AN EFFECTIVE DATE, AND FOR OTHER PURPOSES.

6:38 PM

Mayor McDonald and Commissioner Clarke stated they would like to extend the multifractional unit resolution (93-2022) and not the UPUD (95-2022).

Commissioner Collins expressed his view on wanting both resolutions extended as he believes this is just the beginning of the conversations. Requested if there was a consensus to amend the motion.

DISCUSSION AND DELIBERATION

10. DISCUSSION ON CDBG-CV GRANT

6:56 PM

City Manager Dyess provided an update and stated the City was awarded \$4.8 million in grant funds and stated that the piece of property the City was looking at was the Willie Gary property. City Manager Dyess stated that the property has been sold to Mr. Green and stated his discussions on buying the property for \$1.6 million and what would be done to the property.

Mayor McDonald stated he believes the Willie Gary property would be the best value.

Commissioner Clarke asked if we had any direct plans for the future of this property, such as the technical hub.

City Manager Dyess stated the plans for the building and the organizations that have expressed interest in working on the building.

Commissioners continued discussion.

7:18 PM

Commissioners agreed to have an agenda item to be brought forward.

11. POLICY DIRECTION REGARDING VEGETATION CONTROL

City Manager Dyess stated that there is a piloting program on the hospital pond and if that works it will be taken to other ponds, but something needs to be done on the others, meanwhile.

Mayor McDonald spoke about the different ponds and how the vegetation has grown, stated he is in favor of spraying until we have figured out what is going on with the piloting program.

Commissioner Collins was looking to see how much the mechanical pumping would be for

each pond and he questioned the chemicals being used in these ponds.

Commissioners continued discussion about the expenses and what to do next.

Milton Leggett, Public Works Director spoke about the things the City has done to control vegetation and stated what we can do to cut it down.

7:33 PM MOTION: Spray as minimal as we can.
