Board Member Brechbill commented that his property would benefit from this project, and questioned if this would override the Urban Center Code for set backs. Ms. Seymore stated the City would do the planting and they would be in the City's right-of-way. City Manager Mortell commented that the City would grant to the property owner, equal

property rights.

Board Member Schroth asked for the timeframe, a six (6) month followup. Ms. Gandhi-Savdas noted she can include it in her annual update.

6. RESOLUTION AUTHORIZING THE CITY TO REIMBURSE WATERFRONT FOR REPAIRS TO CITY PROPERTY (RC):

RESOLUTION No. 10-2023 CRA; A RESOLUTION OF THE BOARD OF COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF STUART, FLORIDA DIRECTING STAFF TO PREPARE A BUDGET AMENDMENT TO ADDRESS THE REPAIRS TO THE WATERFRONT RESTAURANT LOCATED AT 131 SW FLAGLER AVENUE, STUART; PROVIDING AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.

Michael Mortell, City Manager, commented with a brief history, noting that there are copies of the report by Stiles Pete with recommendations made for City expenses that amount to \$204,487.33. The report also includes pending repairs in progress that are in the amount of \$318,000. City Manager Mortell stated that with the report from an engineer he is looking for the board to give authorization to bring back the budget amendment item for the CRA in the amount of \$204,487.33.

Campenni commented that this was going to be split between the landlord and the tenant. He recommended moving forward with the \$204,487.33 with appropriate signed waivers so nothing will come back and haunt us later.

Vice Chair Bruner commented that she just wants the City to be fair.

Board Member Schroth commented that there is a line item listed by the engineer that is being ignored in the motion. City Manager Mortell commented that Engineer, Stiles Pete, was requested to identify those items related to the structural needs of the building.

Board Member Brechbill stated that whatever we decide on this number, outstanding leases are going to be affected; triple net, as is, whatever is done financially, it must be clear we are not obligated.

Board Member Campenni stated the City should not be in the landlord business, it needs to be settled; feels we do not owe even the \$204,000, but this is a good alternative to move forward.

Board Member Collins referred to Line 4 and recommended to add pending \$70,000.

Board Member Campenni stated there is nothing pending or concerning, written contracts stand for themselves. The discussion needs to end.

PUBLIC COMMENT:

1. Jim Corregan - Waterfront partner; Appreciates the work on this, commented on the engineer's recommendation. He would like to see the check cut for \$200,000 and would make sure the City is under no obligation.

5:16 PM MOTION: Approve \$204,487.33 and have the City Manager or City Attorney receive appropriate signed waivers so nothing will come back to the City.
