Mitch Rosenstein, Green Mills Group, based in Ft. Lauderdale, proposed a PowerPoint presentation on the redevelopment project for the property of the City's Garage Complex, and gave the history of their company and what they do. He identified their goals, vision, and plans. Green Mills Group offered property management, maintenance, and amenities with one (1) parking space per unit. MOVED BY: Eula Clarke

SECONDED BY: None

Died for lack of second.

City Manager Mortell stated for clarity he does not want Green Mills to incur expenses for design and plans if the Commission does not have the interest in pursuing this. The Commission can give direction to bring back formal items to negotiate a contract with Green Mills for this item and continue to another hearing and have a workshop. If a feasibility is what the Commission desires that would be asking for a development review.
